- Get a rebate when you recycle your old appliance and replace it with a new Energy Star Rated Model.
- The City of Seguin requires a signed document showing the old appliance was hauled away at the time of delivery.
- The City also requires the purchase to be made locally in Seguin.
- The appliance rebates will be approved as long as funding allows and the rebates will be given out on a first come first serve basis, based upon the date and time of this application.
- You must be a City of Seguin Electric Customer in order to take advantage of the Residential rebate, which will be subject to inspection and verification by an authorized representative of the City of Seguin Utility Services Department, to determine it has been installed within the home of a City of Seguin Electric Customer and purchased locally.

Energy Efficient Appliance Rebate Application Continued

I have read, understand and agree to the following program guidelines:

- I am a City of Seguin single-family electric utility customer with an **account in good standing**.
- Prior to issuance of credit to your account, a site inspection will be conducted to verify product installation. Products must be installed and functional at the time of the inspection.
- The purchased appliance has to be Energy Star compliant. The City of Seguin does not endorse specific brands, products or dealers; nor does it guarantee materials, workmanship, performance or durability of qualifying products.
- The Customer will have **Sixty (60) days** from the date of approval to purchase a compliant appliance. The appliance must be purchased from a participating local vendor. (***Make Sure You Keep The Receipt***).
